5 Clubs Regatta– Club Náutico Moraira – 12th September

Richard Jones

Dear Sailing friends.

Just arrived back from mini sailing trip over to the island of Ibiza. Weather was fantastic but the trip over was not so good. Wind on the nose all the way with a very unsettled sea which resulted in some of the crew feeling rather sick. Never mind, the night sail back was wonderful with a calm sea and a north westerly force 3 pushing us along.

On Saturday 12th September the Yachts Mary Poppins II, Gannocks, Azur and TrickyD took part in the 5 clubs Moraira regatta.

TrickyD Skipper Richard Jones

Sailing yachts not attending on this occasion where Lara Dos and Chantana.

It was probably the best '5 clubs' sail we have had so far with wind speeds reaching 18 knots. Also as a bonus, as we turned at the buoy we were joined by 6 rather large dolphins, which resulted in the TrickyD travelling miles past the turning point while we enjoyed the dolphins jumping and diving under the TrickyD.

Thank you to all the captains and crew for taking part and we look forward to seeing even more CBYA members and sailing friends at the next 5 clubs regatta at Club Náutico Altea on Saturday 24th October. Would all members wishing to take part, please email me.
