5 Clubs Regatta Report – RCN Calpe – Sunday 21st February

Richard Jones

Dear CBYA Sailing Friends,

What a wonderful Sunday regatta we had at Real Club Náutico Calpe last Sunday. All was in place for a really exciting race... plenty of wind, moderate sea and no rain. Happy Days!

The race kicked off with a dash to the fish farm... around the fish farm and then a run down to a buoy in El Portet bay. Rounding the buoy we all worked hard tacking close hauled, all the way back to Calpe Marina.

The sea was a little bumpy later in the race and winds were gusting 25 knots. Most of the fun was had in the Marina getting off and returning to the berths! Oh Happy Days.

A big thank you to RCN Calpe for looking after us all so well... especially for saving a table for the late arrivals!! (TrickyD)

The results can be found below, in the new classes.
