CBYA Motor Boat Owners

Gary Mudge

Dear Motor Boat Owners

As many of you are already aware, at the last Management Committee meeting I was elected to become the 'Motor Boat Officer', to represent the interests of all motor boat owners within the CBYA.

My first task is to raise the visibility of Motor Boat owners within the club and I therefore propose the following as a starting point...

An invitation for all CBYA Motor Boat owners and their guests

What

Let's get together for a fun afternoon out on the water with a picnic and a few cooling refreshments!

Where

Suggest we meet up at either Sardine Bay or Portichol Bay as a midway point, for those with boats moored in Denia, Jávea and Moraira.

When

Sunday 8th August or Tuesday 17th August at approximately 14.30... subject to sea conditions of course!

Could all motor boat owners please let me know if you are interested in joining in the fun by emailing me at garymudge@gmail.com or calling me on 644 364 261.

Once we have agreed the date, I will let our yacht owning cousins know, as they may wish to join us.

If you know of other motor boat owners who are not yet CBYA members, who may like to join us, please feel free to forward this notice to them.
